I. Purpose & Scope

This Anti-Money Laundering (AML) and Know Your Customer (KYC) Policy establishes the procedures STT Capital Advisors, LLC (the "Manager") employs to detect and prevent money laundering, terrorist financing, and other financial crimes. This policy applies to all investor onboarding, ongoing monitoring, and suspicious activity reporting.

II. AML Compliance Officer

AML Compliance Officer: Scott McBrien, CIO & CCO
AML Designee / CISO: Cindy Eagar, COO & CISO
Responsibilities: Overseeing the AML program, reviewing KYC documentation, filing Suspicious Activity Reports (SARs) when required, conducting annual AML training, and maintaining AML records.

III. Customer Identification Program (CIP)

For each prospective Limited Partner, the Manager will collect and verify:

Individual Investors

- Full legal name
- Date of birth
- Current residential address
- Government-issued photo identification (passport or driver's license)
- Social Security Number or Tax Identification Number

Entity Investors

- Legal entity name and formation documents
- Principal place of business
- Taxpayer Identification Number (EIN)
- Identity of beneficial owners (25%+ ownership)
- Identity of authorized signatories
- Certificate of good standing or equivalent

IV. Accredited Investor Verification

As a Rule 506(c) offering, the Fund is required to take **reasonable steps to verify** that each investor qualifies as an accredited investor. Acceptable verification methods include:

- Review of tax returns, W-2s, or other IRS filings (income-based)
- Review of bank, brokerage, or other asset statements (net worth-based)
- Written confirmation from a registered broker-dealer, SEC-registered investment adviser, licensed attorney, or CPA

- Existing investor certification (for subsequent investments within 3 months)

V. Source of Funds Documentation

All investors must provide documentation evidencing the **source of funds** being invested. Acceptable documentation includes:

- Bank statements showing available funds
- Brokerage account statements
- Documentation of asset sale or inheritance
- Employment income verification

VI. Politically Exposed Persons (PEP) Screening

All prospective investors will be screened against PEP databases and sanctions lists, including:

- OFAC Specially Designated Nationals (SDN) List
- United Nations Security Council Sanctions List
- European Union sanctions lists
- PEP databases (current and former government officials, family members, and close associates)

Enhanced due diligence will be conducted for any investor identified as a PEP, including additional documentation of source of wealth and senior management approval before acceptance.

VII. Ongoing Monitoring

The Manager will conduct ongoing monitoring of investor activity and will investigate any unusual or suspicious transactions. Red flags include:

- Unusual or unexplained large transactions
- Transactions inconsistent with the investor's stated financial profile
- Requests for unusual payment methods or third-party transfers
- Reluctance to provide required documentation
- Adverse media or sanctions list matches

VIII. Suspicious Activity Reporting

If suspicious activity is identified, the AML Compliance Officer will file a Suspicious Activity Report (SAR) with the Financial Crimes Enforcement Network (FinCEN) within 30 calendar days. No supervised person may notify the investor that a SAR has been filed.

IX. Record Retention

All KYC documentation, CIP records, and AML-related records will be maintained for a minimum of **5 years** from the date the investor's account is closed or the investor's relationship with the Fund terminates.

X. Training

All supervised persons will receive AML training upon hire and annually thereafter. Training covers recognition of suspicious activity, reporting obligations, and updates to AML regulations.

XI. Third-Party Providers

The Manager currently performs KYC procedures manually. As the Fund scales, the Manager intends to engage a third-party KYC/AML provider for automated identity verification, sanctions screening, and ongoing monitoring. Any third-party provider will be subject to due diligence and ongoing oversight by the AML Compliance Officer.
