II. Code of Ethics

Fiduciary Duty

All supervised persons owe a fiduciary duty to the Fund and its Limited Partners. This includes the duty of loyalty (placing Fund interests above personal interests) and the duty of care (acting with the skill, prudence, and diligence of a reasonable professional under the circumstances).

Standards of Conduct

- Act with integrity, competence, and respect for Fund investors
- Place Fund interests ahead of personal interests
- Maintain independence and objectivity in investment decisions

- Comply with all applicable securities laws and regulations
- Report any violations or suspected violations to the CCO immediately

III. Personal Trading Policy

Pre-Clearance Requirement

All personal securities trades by supervised persons must be **pre-cleared by the CCO** before execution. Pre-clearance requests must include the security name, direction (buy/sell), approximate quantity, and rationale.

Restrictions

- **7-day minimum holding period** for all personal trades
- **No trading in Fund universe securities** (PNTHR 679) in personal accounts

All supervised persons must submit:
Initial Holdings Report: Within 10 days of becoming a supervised person
Annual Holdings Report: Within 45 days of fiscal year end

IV. Insider Trading Policy

Trading on Material Non-Public Information (MNPI) is strictly prohibited. No supervised person may:

- Trade securities while in possession of MNPI
- Communicate MNPI to any person who might trade on it ("tipping")
- Recommend securities transactions based on MNPI

If any supervised person becomes aware of potential MNPI, they must immediately notify the CCO and refrain from any related trading until the information is either publicly disclosed or determined not to be material.

V. Allocation & Best Execution

The Fund currently manages a single portfolio. Should additional accounts or funds be managed in the future, a formal trade allocation policy will be adopted to ensure fair and equitable treatment of all client accounts. Best execution is pursued through Interactive Brokers' SmartRouting technology.

VI. Gift & Entertainment Policy

Supervised persons may not accept gifts or entertainment from any person or entity doing business with the Fund that exceeds **$250 in value per person per year**. All gifts or entertainment received must be reported to the CCO within 5 business days. Gifts that exceed the threshold must be returned or donated.

VII. Confidentiality

All Fund-related information is confidential, including but not limited to: trading strategies, positions, investor identities, performance data, and proprietary algorithms (including the PNTHR Signal System). Disclosure of confidential information is permitted only with prior written authorization from the Managing Member or as required by law.

VIII. Record Retention

The Manager will maintain books and records as required by applicable regulations. All compliance records, including personal trading reports, pre-clearance logs, and policy acknowledgments, will be retained for a minimum of **5 years**.

IX. Reporting Violations

Any supervised person who becomes aware of a violation or potential violation of this manual, applicable laws, or Fund policies must report it to the CCO immediately. The Manager prohibits retaliation against any person who

reports a violation in good faith.
